*Vision is the art of seeing what is invisible
to others.*

Jonathan Swift

Dear Friends of the Center,

This past year has released, in tangible form, the vision of the many individuals who partnered with the Center for Spiritual Development in developing a strategic plan. A thunderous applause for all who have helped birth this vision into reality, and who have participated in the programs that were offered this past year, and a special thank you to the Sisters of St. Joseph of Orange who continue to support the CSD ministry.

As the new program year opens, CSD staff is delighted to be offering the second group of *Thresholds* modules: *Spirituality for Everyday Living, Discipleship and Service, Meeting the Friends of God, and The Sacred Spark of Creation*. In addition, CSD is also offering a Spanish speaking program modeled after the *Thresholds* program called *SIN FRONTERAS: Encuentro con la Espiritualidad cristiana*.

The Center will again be offering a number of programs on formative figures such as contemporary mystics, Albert Schweitzer, and the women of the Old Testament. We have also expanded the Spiritual Directors' Network this year to include four programs with one in June 2012 featuring Margaret Silf.

CSD has also extended the retreats that are being offered over the upcoming year. Sister Ingrid Honoré-Lallande, CSJ, the newest CSD staff member, will be available to guide The Thirty Day Spiritual Exercises and will also be offering an 8-Day Ignatian retreat, *The Gift of Spiritual Intimacy*, July 2012.

This year the Center will also sponsor two special events, *The Sound of Music Sing-along*, and back by popular demand, *Creative Expressions of the Sisters of St. Joseph of Orange*, to help benefit ongoing program development at the Center.

Thank you once again for being a part of the CSD community and for your ongoing participation and support of the Center.

With gratitude,

On Going & Extended Programs

SPIRITUAL DIRECTORS' NETWORK

The Center for Spiritual Development invites all spiritual directors to put time aside to gather with peers for on-going formation on various topics related to the ministry of spiritual direction, and spend some time throughout the year for quiet and prayer. The Spiritual Directors' Network (SDN) is designed to keep directors connected, to keep channels of communication open for ministers as we share the activity of the Creative Spirit in our own life story. The following programs have been designed for the coming year:

GOD, DREAMS AND SPIRITUAL DIRECTION

Saturday, Oct. 22, 2011, 9:30 a.m. – 3:30 p.m.

Presented by: Bobbie Ascarate

What is the connection between God, dreams and spiritual direction? During this participatory workshop we will explore that provocative question. We will examine our role as a spiritual director in case a directee shares a dream with us. We will reflect on and discuss how we personally feel about dreams and dreamwork as a spiritual practice.

Location: St. Joseph Center, Library Conference Room \$45 (includes lunch)

SACRED PAUSES: Finding Time to Breathe Deeply

Saturday, Feb. 18, 2012, 9:30 a.m. – 3:30 p.m.

Presented by: CSD Team

Etty Hillesum once stated: "Sometimes the most important thing in a whole day is the rest we take between two deep breaths." This retreat day is designed to give spiritual directors the opportunity to practice what they preach, namely to stop, breathe a little deeper and exhale a song of thanksgiving for the sacred story unfolding in them.

Location: St. Joseph Center, Mother Louis Room \$45 (includes lunch)

WILL GOD COME BETWEEN US?

Spiritual Direction When the Journey Seems Divisive

Saturday, Apr. 21, 2012, 9:30 a.m. – 3:30 p.m.

Presented by: Donna Couch, MA

Oftentimes the inner call to spiritual conversion is paradoxically accompanied by a sense of alienation in relationships that used to be considered compatible. A poignant question arises: Will God come between us? Answering this question can become especially problematic when spiritual matters cannot be openly discussed with friends and family. This presentation will equip the spiritual director with tools to enhance compassionate communication, understand stages of relationships, and apply the tenets of faith development in practical and potentially transforming ways.

Location: St. Joseph Center, Library Conference Room \$45 (includes lunch)

FINDING A TRUE COURSE IN A BEWILDERING WORLD

Saturday, June 23, 2012, 9:30 a.m. – 3:30 p.m.

Presented by: Margaret Silf, MA

We live in times of immense change and uncertainty. How can Ignatian spirituality help Spiritual Directors find solid ground, and learn to sift the authentic from the illusory? How can we learn to make wiser choices and apply the tools of discernment to our daily lives? How will our personal experience help our directees to become followers of the Way? (Based on the book, *‘Companions of Christ: Ignatian Spirituality for Everyday Living’*)

Location: St. Joseph Center, Mother Louis Room \$50 (includes lunch)

Thresholds: Encountering Christian Spirituality

THRESHOLDS is a program in spiritual formation. Rooted in the Roman Catholic tradition and ecumenically inclusive, this program is intended to guide people in their desire to encounter more deeply and embrace more fully the way of Jesus in their everyday lives. Spiritual formation is a process that engages one's entire life to be open and receptive to the mystery of God in self, others, community and creation. Christian, holistic, and experiential with an emphasis on cultivating spiritual practices that encourage and support persons of faith being fully alive, THRESHOLDS participants will unite with a community of people committed to the spiritual journey.

THRESHOLDS is comprised of eight Core Areas that are foundational to an authentic and mature Christian practice. The themes of the Core Areas will be presented in a variety of formats and timetables. The program is designed to offer both a cohesive structure and maximum flexibility. Modules, for example, might be offered one evening a week for 4-6 weeks, Saturday mornings or as a weekend retreat. This format affords people the opportunity to register for a two-year certificate program which is completed after participating in all eight Core Areas. An additional two hour Orientation session is required for individuals electing to participate in the two-year certificate program, and formation group meetings outside of the scheduled offerings will be available for those seeking a faith formation community.

THRESHOLDS offerings are open to people who desire to participate in a particular THRESHOLDS offerings for the purpose of ongoing formation and spiritual growth.

THE EIGHT CORE AREAS

Year One

BIBLICAL SPIRITUALITY: Shaped by God's Word

Sacred Scripture is a privileged way of encountering God and entering into God's dream of salvation. God's communication through these sacred texts informs, and forms the nature of biblical faith.

JESUS CHRIST: Seeking Our Source and Goal

At the core of the Christian faith is the experience that God comes to be with us in the person of Jesus the Christ. As Christians we support one another in learning to embody the way, the truth, and the life of Jesus.

PRAYER: Cultivating Intimacy with God

Central to Christian Spirituality is the belief that God desires to be in union with us. Prayer is a response to God's invitation to intimacy and communion. Intentional prayer nurtures an authentic life which is attuned to and concerned about others.

COMMUNITY: Being the Beloved Community

The Christian life is no private matter, and we are called to be in community. By God's design, we are saved as a people. Broken and blessed, we travel and share a common pilgrimage toward wholeness and the fullness of life. Being community breaks us open to embrace and care for the world.

Year Two

DISCIPLESHIP AND SERVICE: Responding to the Call

Discipleship is integral to the responsibility of living the Christian life. As disciples we are apprentices to Jesus who teaches us the way of loving surrender to God and compassionate service to others.

MEETING THE FRIENDS OF GOD: Living in Fidelity

The New Testament speaks of the great "cloud of witnesses." The saints are those who have lived lives in fidelity to God's lavish love. Connecting the stories of the friends of God with our stories inspires us to live passionate and faithful lives.

THE SACRED SPARK OF CREATION: Partnering with God

As Christians we believe that the cosmos was created not caused. Our own creative energy echoes God's ongoing creativity and speaks of our call to find God in all things. Our partnership with God inspires and directs us to a kinship with all of creation.

SPIRITUALITY FOR EVERYDAY LIVING: Encountering the Sacred

We encounter and are encountered by God in the mysterious and mundane realities of life. In that sacred meeting we open ourselves to becoming more deeply men and women of faith.

THRESHOLDS ORIENTATION

This year mark's the 50th anniversary of Vatican II (October 11, 1962 – December 8, 1965), a council many believe to be one of the most transformative in the church's history. During Vatican II, Pope John XXIII wanted the church to engage and learn from all the best that the world had to offer; to become truly ecumenical, welcoming and embracing all believers in Christ; and to become an advocate and companion with the poor. To mark the anniversary and honor "Good Pope John's" deep desires, the Center is offering a Two Part Series - the first in the spring of 2012 and the second in the fall of 2012. Part One of the Series will focus on the core constitutions of the council as listed below and Part Two (TBA) will examine various important decrees and declarations. Attendance at Part One is not essential to attendance at Part Two.

Series One:

Week 1: (Feb. 7): Historical, theological and social context for Vatican II.

Week 2: (Feb. 14): *Pastoral Constitution on the Church in the Modern World and Dogmatic Constitution on the Church.*

Week 3: (Feb. 21): Continuation of above

Week 4: (Feb. 28): Week 4: *Dogmatic Constitution on Divine Revelation*

Week 5: (Mar. 6): *Constitution on the Sacred Liturgy*

Week 6: (Mar. 13): Synopsis and personal response

Come and join us as together we explore the graces received and the possibilities yet to come as a result of Vatican II.
