

# Sabbaticals

**T**HE CENTER FOR SPIRITUAL DEVELOPMENT offers two month-long sabbatical programs each year, that provide abundant relaxation and opportunities for personal and spiritual renewal for women and men involved in ministry.

## ***Sojourn Sabbatical***

Sept. 12 - Oct. 14, 2011 • Sept. 10 - Oct. 12, 2012

Sojourn Sabbatical is for people returning from a cross-cultural servanthood experience, from overseas, and urban or rural areas of the United States. Cross-cultural experience is defined as any experience where two or more cultures and/or sub-cultures interact with one another. "Sojourn" is a safe place on the journey to rest and to share one's story; where participants have space to encounter the God-thread in the challenge of their experience, and to re-establish and deepen their relationship with God.

## ***Winter Sabbatical***

Jan. 3 - Feb. 4, 2012 • Jan. 6 - Feb. 8, 2013

Winter Sabbatical is open to all women and men involved in ministry. Come celebrate the fruitfulness of your years and experience this grace filled and bountiful time with the freedom to choose what is most renewing to you.
